

Common Interview Questions

1. Tell me about you. Who are you?

(What do you do, what do you love, what do you want for yourself? Do you work? Do you Volunteer?)

2. When you heard about the business development and recruiter programs, what interested you the most about the offering?

3. What traits/skills do you have that you think will help you be successful in this career?

4. Tell me about your time management skills and your availability.

5. What have you done to prepare yourself for a [new/remote] career

6. What would a career like BDR or RCTR do for you? Or What would this scholarship mean for you?
